PROTECTION AGENCY,)

ORDER OF THE BOARD (by K. Papadimitriu):

On December 29, 2017, Electric filed a motion to voluntarily dismiss this appeal without prejudice. The appeal concerns Clean Air Act Permit Program (CAAPP) permit issued by the Illinois Environmental Protection Agency (Agency) for Electric's coal-fired power plant at 2100 Portland Road, in Joppa, Massac County. On June 8, 2017, upon parties' joint motion, the Board lifted the stay of permit's uncontested conditions and remanded the permit to the Agency. Electric's motion to voluntarily dismiss notes that Electric contacted Agency's council who raised no objection to this motion. Mot. at 1. The Board grants the motion, dismisses the appeal, and closes the docket.

IT IS SO ORDERED.

Member Carter abstained.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on January 11, 2018, by a vote of 4-0.
