Dear Clerk of the Board Brown,

It isn't all that often that we have the ability to be a part of a win/win solution to a problem. That possibility now exists. I encourage the Illinois Pollution Control Board (IPCB) to approval the revision to Illinois' Multi-Pollutant Standard air emissions rule filed by the Illinois Environmental Protection Agency (IEPA). I support this revision as it is the best path forward to preserve air quality, while protecting jobs and sustaining economic vitality in the state of Illinois.

Sincerely,
