HEARING OFFICER ORDER

On February 13, 2018, the parties left a voicemail regarding the status of the above-captioned matter. The complainant requested that she be given another extension to file her response to respondent's motion to dismiss for want of prosecution. The respondent stated that it had no objection to a two-week extension of time.

The complainant's request is granted. Complainant's response to respondent's motion is now due on or before February 23, 2018.

Any deadlines for answering the request to admit or responding to the outstanding motions, including responding to respondent's motions for clarification and reconsideration filed August 24 and 25, 2016, are stayed.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on March 15, 2018, at 10:45 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
