HEARING OFFICER ORDER

On February 22, 2018, all parties participated in a telephonic status conference with the hearing officer. The parties stated that they are awaiting the Board's decision on respondent's motion to reconsider. It was also noted that the parties filed their respective proposed discovery schedules that I will review and issue a discovery order. All parties agreed that the discovery schedule will most likely be revisited due to the outstanding motion for reconsideration.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on March 22, 2018, at 1:30 p.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance.

IT IS SO ORDERED.
