**HEARING OFFICER ORDER**

On March 15, 2018, all parties participated in a telephonic status conference with the hearing officer. The complainant has forwarded some additional information to the respondent including an estimate for plumbing work at the site. Complainant has three more plumbers scheduled to visit the site to give additional estimates. Those additional estimates will be forwarded to the respondent.

The complainant requested that she be given another extension to file her response to respondent's motion to dismiss for want of prosecution. The respondent stated that it had no objection, but questionable whether it will agree to any further extensions.

The complainant's request is granted. Complainant's response to respondent's motion is now due on or before March 30, 2018.

Any deadlines for answering the request to admit or responding to the outstanding motions, including responding to respondent's motions for clarification and reconsideration filed August 24 and 25, 2016, are stayed.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on March 29, 2018, at 10:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
