HEARING OFFICER ORDER

On April 26, 2018, all parties participated in a telephonic status conference with the hearing officer. The respondent Illinois Environmental Protection Agency (Agency) stated that it will discuss with the Illinois Department of Natural Resources (IDNR) IDNR's response to the Agency's recommendation prior to the next status conference. At this time, however, the Agency represented that it does not intend to file a reply to IDNR's response but that it may reconsider after discussions with IDNR.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on May 3, 2018, at 9:00 a.m. The telephonic conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter.

IT IS SO ORDERED.
