

ILLINOIS POLLUTION CONTROL BOARD

August 7, 1997

IN THE MATTER OF:)
)
WASTEWATER PRETREATMENT) R98-7
UPDATE USEPA REGULATION) (Identical-in-Substance
(January 1, 1997 through June 30, 1997)) Rulemaking - Water

Proposed Rule. Dismissal Order.

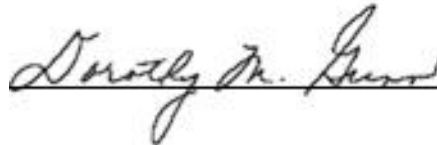

ORDER OF THE BOARD (by J. Yi):

Section 13.3 of the Environmental Protection Act (415 ILCS 5/13.3 (1996)) requires the Board to adopt regulations which are identical-in-substance with federal regulations promulgated by the United States Environmental Protection Agency (USEPA) to implement the pretreatment requirements of Sections 307 and 402 of the Clean Water Act. 33 U.S.C. §§ 1317, 1342 (1977). USEPA has codified these rules in its pretreatment regulations at 40 CFR 400 through 499. Accordingly, the Board reserved this docket for USEPA amendments during the period from January 1, 1997 through June 30, 1997. However, USEPA did not amend its pretreatment regulations during this period.

For the foregoing reasons, the Board hereby dismisses this proceeding and closes this docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 7th day of August 1997, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
