**HEARING OFFICER ORDER**

On May 7, 2018, all parties participated in a telephonic status conference with the hearing officer. The respondent Illinois Environmental Protection Agency (Agency) stated it and the Illinois Department of Natural Resources (IDNR) have had discussions regarding IDNR's response to the Agency's Recommendation. IDNR stated that it perceived the issue in its response merely a procedural one. The Agency, IDNR and Midwest Generation stated that the procedural issue has been resolved. To that end, the Agency will not file a response to IDNR's response.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on June 14, 2018, at 9:30 a.m. The telephonic conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter.

IT IS SO ORDERED.
