

ILLINOIS POLLUTION CONTROL BOARD  
May 1, 1997

IN THE MATTER OF: )  
 )  
UST UPDATE, USEPA REGULATIONS ) R97-22  
(July 1 through December 31, 1996) ) (Identical-in-Substance)  
 ) (Land Rules)

Proposed Rule.                      Dismissal Order.

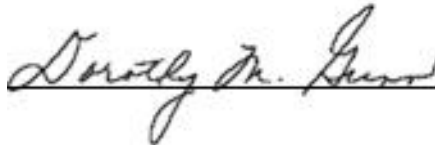

ORDER OF THE BOARD (by M. McFawn):

Section 22.4(d) of the Environmental Protection Act (Act) requires the Board to adopt regulations which are "identical in substance," as defined in Section 7.2 of the Act, to underground storage tank (UST) regulations promulgated by the U.S. Environmental Protection Agency (USEPA) pursuant to Section 9003 of RCRA to implement Subtitle I of RCRA, with certain limitations. USEPA has codified its UST regulations at 40 CFR 281 through 283. Accordingly, the Board reserved this docket for any UST amendments adopted by USEPA between July 1 through December 31, 1996. However, the only USEPA amendments to its UST regulations during that time period related to the approval of three sister states' UST programs, none of which will require corresponding Board action.

For the foregoing reason, no change is necessary at this time, and the Board hereby dismisses this proceeding.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 1<sup>st</sup> day of May, 1997, by a vote of 7-0.

Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
