ORDER

The Board having considered the complete record in this case hereby grants a variance from the Special Condition relating to final clarification with chemical coagulation of EPA Permit No. 1971-AB-403 to the Lake County Department of Public Works (Vernon Hills Sewage Treatment Plant) for the period of one year, until January 23, 1973, subject to extension upon filing of a petition for extension within not less than 90 days of the expiration date. The grant of variance is subject to the following conditions:

1. That Petitioner complete construction of its tertiary lagoons by February 1972.
2. That Petitioner proceed with its plans to abandon the old treatment plant upon completion of the New Century Town plant.
3. That Petitioner submit quarterly reports to the Board and the Illinois Environmental Protection Agency reporting on progress to date and explaining all substantial deviations from Petitioner's present construction schedule.
4. That Petitioner adhere to each of the conditions of this variance grant.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the Board adopted the above Order on the 24 day of January, 1972 by a vote of 4-0;

Christan L. Moffett
