RE: Standards and Limitations for Organic Material Emissions for Area Sources (35 Ill. Adm. Code 223)  
36 Ill. Reg. 727 - 1/20/12

Dear Dr. Glosser:

In closing the above reference file, JCAR discovered an error in the Board's filed rulemaking.

Specifically the error was:

In Section 223.205(a)(56)(A), the entry for aerosol spot removers, both at 1<sup>st</sup> Notice and at adoption, showed 25% VOM. The text prior to this rulemaking said 23% VOM and nothing in this rulemaking changed 23 to 25.

If we can be of any assistance in preparing a Request for Expedited Correction to return to the appropriately adopted text of 23%, please contact Deborah Connelly of this staff at 217/785-2254.

Sincerely,

A handwritten signature in black ink that reads "Vicki Thomas".
