ORDER OF THE BOARD (by J. Marlin):

This matter is before the Board on a status report requested by the Board on June 21, 1990. Both parties filed a status report with the Board, the Respondent on July 17, 1990 and the Petitioner on July 23, 1990. The reports indicate that the Petitioner is preparing a revised closure plan to submit to the Agency in the next four weeks. The Respondent has previously indicated that it takes approximately 60 days to review these types of filings. The Petitioner indicated that if the parties come to an agreement on the revised plan it would alleviate the issues raised by this appeal. However, the Petitioner also indicated that proceeding to hearing on the issues raised in this appeal would not be necessary even if an agreement is not reached. The Petitioner indicated that they "will likely want to request that the Board remand this matter to the Agency" if an agreement is not reached. Therefore, the Board directs the parties to submit a status report to be received by the Board no later than November 7, 1990, indicating when this matter should be set for hearing.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 9th day of August, 1990, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
