ILLINOIS POLLUTION CONTROL BOARD NOTICE OF PUBLIC HEARING

The Illinois Pollution Control Board gives notice of public hearing regarding rule changes proposed by the Board on May 16, 2013: **National Ambient Air Quality Standards, USEPA Regulations (through December 31, 2012), R 13-11.** If the Board adopts the rules, the Illinois Environmental Protection Agency (IEPA) will submit them to the United States Environmental Protection Agency (USEPA) as proposed revisions to the Illinois State Implementation Plan (SIP) for carbon monoxide, lead nitrogen oxides, ozone, particulate matter, and sulfur oxides. The SIP contains Illinois' requirements to attain and maintain National Ambient Air Quality Standards (NAAQS) to protect public health and the environment under the federal Clean Air Act and state Environmental Protection Act. The update is needed to ensure that Illinois' regulations reflect the USEPA's most recent NAAQS. Interested persons are invited to attend the hearings or to submit written comments. The Public Hearing will be held on Wednesday, June 26, 2013, at 11:00 am at the Sangamo Building, Room 1119N, 1021 North Grand Avenue, Springfield, Illinois. The hearing is subject to cancellation without notice and may be confirmed by calling the Office of the Clerk at 312/814-3461. A copy of the proposal for public comment is available for public inspection on the Board's website at <http://www.ipcb.state.il.us/> and at the Clerk's Office, IPCB, Suite 11-500, Thompson Center, 100 West Randolph St., Chicago, IL 60601. The IEPA proposal is also available for public inspection at the Champaign Public Library, 200 West Green Street, Champaign, Illinois. Written public comments will be considered if received or post-marked by July 15, 2013 and submitted to the Clerk's Office at the address above.
