NOTICE OF FILING

To: Russell & Deborah Janssen
807 S. Daysville Road
Oregon, IL 61061

PLEASE TAKE NOTICE that on this date I mailed for filing with the Clerk of the Pollution Control Board of the State of Illinois the following instrument(s) entitled CERTIFIED MAIL RECEIPT.

Respectfully submitted,

Michelle M. Ryan
Assistant Counsel

Illinois Environmental Protection Agency
1021 North Grand Avenue East
P.O. Box 19276
Springfield, Illinois 62794-9276
(217) 782-5544

Dated: October 28, 2014

Northwest Equipment
807 S Daysville Rd
Oregon IL 61061

November 14, 2014

John Therriault

I had no intent to burn the rubbish pile and I have disposed of it.

The tires had been changed and were left out for ten days. Four of the tires have been disposed of and the remaining are in the building.

A handwritten signature in cursive script, appearing to read "Russ Jensen". The signature is written in black ink and is positioned below the typed text.

TERMS AND CONDITIONS

OVERWEIGHT ROLLOFF CONTAINERS. Customer shall not overload rolloff containers provided by Contractor. In the event an overweight fine is sustained by contractor as a result of transporting a rolloff container loaded by Customer, the cost of said overweight fine shall be paid by Customer. Contractor may pass on actual increases in landfill rates and/or increased costs of transportation to an alternate landfill site immediately upon such cost being incurred.

DRIVEWAYS AND PARKING AREAS. Customer warrants that any right of way provided by Customer from Customer's equipment location to the most convenient public way is sufficient to bear the weight of all of Contractor's equipment and vehicles reasonable required to perform the service herein contracted. Contractor shall not be responsible for damage to any private pavement or accompanying subsurface of any route reasonable necessary to perform the services herein contracted.

WASTE MATERIAL. Customer represents and warrants that the waste material to be collected and transported by Contractor pursuant to this agreement is solid waste generated by customer, and will not contain lead acid batteries, appliances, yard waste, radioactive waste, biomedical waste, flammable, explosive, or "hazardous material", or any waste that may not be landfilled which Contractor has not expressly agreed to collect under this Agreement. The term "hazardous material: as used in this Agreement shall include any waste listed or characterized as hazardous or toxic by federal, state or local laws or regulations. Contractor may reject and return to Customer at Customer's expense any waste material which Contractor has not agreed to collect under this agreement"

TERMS AND CONDITIONS

OVERWEIGHT ROLLOFF CONTAINERS. Customer shall not overload rolloff containers provided by Contractor. In the event an overweight line is sustained by contractor as a result of transporting a rolloff container loaded by Customer, the cost of said overweight line shall be paid by Customer. Contractor may pass on actual increases in landfill rates and/or increased costs of transportation to an alternate landfill site immediately upon such cost being incurred.

DRIVEWAYS AND PARKING AREAS. Customer warrants that any right of way provided by Customer from Customer's equipment location to the most convenient public way is sufficient to bear the weight of all of Contractor's equipment and vehicles reasonable required to perform the service herein contracted. Contractor shall not be responsible for damage to any private pavement or accompanying subsurface of any route reasonable necessary to perform the services herein contracted.

WASTE MATERIAL. Customer represents and warrants that the waste material to be collected and transported by Contractor pursuant to this agreement is solid waste generated by customer, and will not contain lead acid batteries, appliances, yard waste, radioactive waste, biomedical waste, flammable, explosive, or "hazardous material", or any waste that may not be landfilled which Contractor has not expressly agreed to collect under this Agreement. The term "hazardous material: as used in this Agreement shall include any waste listed or characterized as hazardous or toxic by federal, state or local laws or regulations. Contractor may reject and return to Customer at Customer's expense any waste material which Contractor has not agreed to collect under this agreement"
