MOTION FOR EXTENSION OF TIME TO ANSWER QUESTIONS

COMES NOW Saline County Landfill, Petitioner, per 35 IL Admin. Code 101.522, and moves for an extension of time to comply with the Hearing Officer's Order dated October 8, 2015.

1. On October 8, 2015, the Hearing Officer entered an Order directing Petitioner to answer 33 questions.
2. Though the Order was apparently deposited in the U.S. Mail Thursday, October 8, it was not actually received by Counsel for Saline County Landfill, Inc., until October 13, 2015, likely due to the Columbus Day Monday Holiday in the interim. The Hearing Officer accordingly granted an extension to November 16, to answer.
3. The Petitioner respectfully submits it now requires more than 33 calendar days since actual receipt, to fully and properly prepare answers that meet the specific separate 46 questions (counting sub-parts of questions) in the Order.
4. It will cause no undue delay in the instant proceedings to grant this extension. The petition itself was filed July 17, 2015. The Illinois Environmental Protection Agency filed its recommendation regarding the adjusted standards on September 8, 2015. The Petitioner timely filed its one-page response to the IEPA's comments

September 21, 2015.

5. The instant motion is the second request for an extension filed in the instant proceeding by Petitioner, Saline County Landfill, Inc.
6. Extensions of time to answer questions have been granted in other petitions for adjusted standard. See, for example, the petition of the City of Collinsville, AS15-3, Order dated June 10, 2015.

NOW, THEREFORE, the Petitioner, Saline County Landfill, Inc., requests an extension of time to answer the questions promulgated in the Order of October 8, 2015, until November 30, 2015. The Petitioner further requests the Illinois Environmental Protection Agency be granted a comparable extension to comment on the answers Saline County Landfill, Inc., will file, to December 21, 2015.
