HEARING OFFICER ORDER

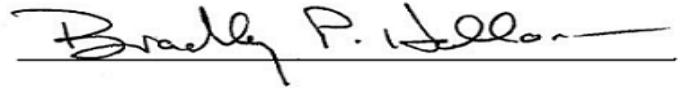

On May 10, 2018, all parties participated in a telephonic status conference with the hearing officer. The parties represented that they continue in their settlement discussions. Complainant is still receiving repair estimates and forwarding them to the respondent. The complainant is also attempting to discern whether she needs a permit to repair the backflow issue.

To that end, complainant is to file her response to respondent's motion to dismiss for want of prosecution by June 29, 2018. The parties will revisit this due date at the next status conference.

Any deadlines for answering the request to admit or responding to the outstanding motions, including responding to respondent's motions for clarification and reconsideration filed August 24 and 25, 2016, are stayed.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on June 14, 2018, at 11:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
