INTERIM ORDER OF THE BOARD (by Mr. Dumelle)

The letter petition of the Logan Consolidated Schools ask for relief "from compliance with your rules and regulations". This does not tell the Board what specific relief is requested nor what present conditions exist nor what harm is being done to the environment.

The petition is inadequate. Petitioner is ordered to amend its petition within 21 days or have it dismissed for inadequacy. The 90-day period for variances shall run from the filing with the Board of an amended petition. The Agency's Motion to Dismiss filed March 6, 1973 is denied as to dismissal and granted in the alternative as to granting leave to amend by the petitioner.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Interim Order was adopted on the 8th day of March, 1973 by a vote of 3-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
