ORDER OF THE BOARD (by Mr. Dumelle)

The petition dated May 28, 1973 is inadequate since it does not tell whether the reservoir contains fish and other aquatic life; whether it is a flow-through type; why biodegradable algicides cannot be used or other techniques listed in recent Board opinions (City of LaHarpe, et al, PCB 72-168, August 8, 1972 and City of Paris, et al, PCB 72-277, August 15, 1972).

Petitioner is ordered to file an amended petition within 30 days and to waive the 90-day decision period for a 30 day period. If an amended petition is not filed then the petition shall be subject to dismissal as being inadequate and incomplete.

The Agency is asked to supply the petitioner with copies of the two Board opinions referred to above.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 7th day of June, 1973 by a vote of _____.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
