OPINION AND ORDER OF THE BOARD (by J.D. O’Leary):

On May 3, 2013, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a one-count water pollution complaint against the City of Galva (respondent). The complaint concerns respondent’s Northeast wastewater treatment plant located at 523 North East 9th Street, Galva, Henry County, and commonly known as “Galva WWTP.” The parties now seek to settle without a hearing. For the reasons below, the Board accepts the parties’ stipulation and proposed settlement.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2010)), the Attorney General and the State’s Attorneys may bring actions before the Board to enforce Illinois’ environmental requirements on behalf of the People. *See* 415 ILCS 5/31 (2010); 35 Ill. Adm. Code 103. In this case, the People allege that respondent violated the Section 12(a) of the Act (415 ILCS 5/12(a) (2012)) by accepting landfill leachate from Atkinson Landfill Company in May and June 2011 without having certified that it had adequate capacity to accept and treat the leachate, and thereby threatening the pass through of untreated wastewater into Edwards River.

On May 3, 2013, simultaneously with the People’s complaint, the People and respondent filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2010)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2010)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). The Board provided notice of the stipulation, proposed settlement, and request for relief. The newspaper notice was published in the *Galva News* on June 14, 2013. The Board did not receive any requests for hearing. The Board grants the parties’ request for relief from the hearing requirement. *See* 415 ILCS 5/31(c)(2) (2010); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board’s procedural rules sets forth the required contents of stipulations and proposed settlements. *See* 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of respondents’ operations. Section 103.302 also requires that the parties stipulate to facts

called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2010)), which bears on the reasonableness of the circumstances surrounding the alleged violations. Respondent neither admits nor denies the alleged violation. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2010)), which may mitigate or aggravate the civil penalty amount. Respondent agrees to pay a civil penalty of \$2,000. The People and respondent have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.

Illinois Supreme Court Rule 335 establishes filing requirements that apply when the Illinois Appellate Court, by statute, directly reviews administrative orders. 172 Ill. 2d R. 335.
