HEARING OFFICER ORDER

On October 24, 2013, a telephonic status conference was held. The complainant stated that the respondents have agreed to a penalty amount and that it is in the process of drafting a stipulation and proposal for settlement (stipulation) to circulate to the respondents for their review. To that end, it was agreed that respondents respective answers or other pleading are now due on or before January 2, 2014.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on December 18, 2013, at 9:15 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
