STATE OF ILLINOIS  
Pollution Control Board

**PUBLIC REMARK:**

My name is Cindy Skrukrud and I am the Clean Water Program Director at the Illinois Chapter of the Sierra Club. I am here today to hear about the Board Order on the first item on your agenda:

Rulemaking : R14-10 regarding coal combustion waste.

Sierra Club and other environmental groups wish this state rule to move forward. It is still needed to address the gaps and deficiencies in the federal coal ash rule, which went into effect during this rulemaking. Thank you.
