Re: General Rules (35 Ill. Adm. Code 101; 38 Ill. Reg. 12685 - 6/20/14)

Dear Chairman Glosser:

This is to notify you that JCAR considered the above-referenced proposed rulemaking at its 12/16/14 meeting.

If your agency has agreed to any substantive modifications during its discussions with JCAR, they are described in the agreements attached to the certification. Based on these Agreements, as well as the other responses you have provided the Committee during the review of this rulemaking, JCAR has determined that No Objection will be issued. Enclosed you will find formal certification of this action.

The rulemaking may now be adopted upon filing with the Office of the Secretary of State.

Please note that the fact that the Committee has not objected to the rulemaking does not necessarily constitute approval, expressed or implied, of the substance of the rulemaking.

Additionally, however, the Committee has issued a Recommendation concerning this rulemaking. A copy of that Recommendation is enclosed. If we can be of any assistance to your agency in responding to the Recommendation, please do not hesitate to contact us.

Thank you for the cooperation your agency has shown during our review of these issues.

Sincerely,

A handwritten signature in black ink that reads "Vicki Thomas".

At its meeting on December 16, 2014, the Joint Committee on Administrative Rules considered the above-cited rulemaking and recommended that PCB be more timely in codifying its procedural rules to reflect changes in Board practice. PCB has been operating the Clerk's Office On-Line (COOL) file management system since 2005 without codifying those procedures in its rules.

The agency should respond to this Recommendation in writing within 90 days after receipt of this Statement. Failure to respond will constitute refusal to accede to the Committee's Recommendation. The agency's response will be placed on the JCAR agenda for further consideration.
