NOTICE OF ADOPTED AMENDMENT

- 1) Heading of the Part: Sound Emission Standards and Limitations for Property-Line-Noise-Sources
- 2) Code Citation: 35 Ill. Adm. Code 901
- 3) Section Numbers: 901.119 Adopted Action: Amendment
- 4) Statutory Authority: Implementing Section 25 and authorized by Section 27 of the Environmental Protection Act [415 ILCS 5/25 and 27].
- 5) Effective Date of Amendment: DEC - 2 2015
- 6) Does this rulemaking contain an automatic repeal date? No.
- 7) Does this amendment contain incorporations by reference? No.
- 8) The text of the adopted amendment is on file in the Board's Chicago office at the James R. Thompson Center, 100 W. Randolph Street, Suite 11-500, and is available there for public inspection.
- 9) Notice of Proposal Published in Illinois Register: 39 Ill. Reg. 6179, May 8, 2015.
- 10) Has JCAR issued a Statement of Objections to this amendment? No.
- 11) Differences between proposal and final version: The Board made two substantive amendments to Clifford-Jacobs Forging Company's (Clifford-Jacobs) original rulemaking proposal. First, the Board imposed, as a new subsection (c) in Section 901.119, a condition limiting noise emissions from Clifford-Jacobs' forging facility to 65 dB (A-weighted Leq) from 11 p.m. to 6 a.m., Monday through Saturday. Second, the Board added, as Section 901.119(d) and (e), requirements that Clifford-Jacobs: (1) investigate new technologies, sound abatement measures, and possible operational changes to mitigate sound emissions from the facility; and (2) file a report on the findings of this investigation with the Clerk of the Pollution Control Board every ten years after December 15, 2015.

The Board also adopted clarifying and other changes of a non-substantive nature, *e.g.*, punctuation.

POLLUTION CONTROL BOARD

NOTICE OF ADOPTED AMENDMENT

- 12) Have all the changes agreed upon by the agency and JCAR been made as indicated in the agreements letter issued by JCAR? Yes.
- 13) Will this amendment replace emergency amendments currently in effect? No.
- 14) Are there any amendments pending on this Part? No
- 15) Summary and Purpose of Amendment: Clifford-Jacobs proposed to amend the site-specific noise rule at 35 Ill. Adm. Code 901.119. The proposed, and now adopted, amendments extend the allowable operational levels for Clifford-Jacobs' forging facility located in unincorporated Champaign County. The facility is currently allowed to operate up to all 14 of its forging hammers at any one time from 6:00 a.m. to 11:00 p.m., Monday through Saturday. As amended, Section 901.119 will allow the facility to operate up to 14 hammers at any one time 24 hours a day, Monday through Saturday.

The Board adopts Clifford-Jacobs' proposed amendments, and, as noted under #11 above, imposes two substantive additional requirements. First, the Board imposes, as a new subsection (c) in Section 901.119, a condition limiting noise emissions from Clifford-Jacobs' forging facility to 65 dB (A-weighted Leq) from 11 p.m. to 6 a.m., Monday through Saturday. Second, the Board adds, as Section 901.119(d) and (e), requirements that Clifford-Jacobs: (1) investigate new technologies, sound abatement measures, and possible operational changes to mitigate sound emissions from the facility; and (2) file a report on the findings of this investigation with the Clerk of the Pollution Control Board every ten years after December 15, 2015.

A more complete description of the amendments may be found in the Board's opinion and order of November 19, 2015 (R14-22), which is available on the Board's Web site (www.ipcb.state.il.us) under the Clerk's Office On-Line (COOL) tab.

- 16) Information and questions regarding this adopted amendment shall be directed to:
