RE: R2014- XXX; Petition of Clifford-Jacobs Forging Co. for Amendment to the Site-specific Rule at 35 Ill. Adm. Code 901.119

Dear Chairman Glosser:

I am pleased to add my name to the list of people and organizations supporting the proposal of Clifford-Jacobs Forging Company for an increase in its maximum hours of operation by seven hours each work day. Allowing Clifford-Jacobs to expand its hours would be a very positive development for the economy of my district as well as to the State of Illinois. It would also enable the company to better meet the challenges posed by overseas competitors in a global market.

Clifford-Jacobs has been a valued member of the Illinois business community for over nine decades and provides dozens of high-paying jobs. It is a trusted supplier of critical components for industries world-wide, and has been situated at the same Champaign County location throughout its history. I urge you to grant the company's petition which will help it remain and prosper in Illinois.

Thank you for your service.

Sincerely,

Chad Hays
