

ILLINOIS POLLUTION CONTROL BOARD
December 20, 1989

IN THE MATTER OF:)
CALUMET INDUSTRIES, INC.) R 89-18
AIR RULE REVISION, 35 ILL.) (Rulemaking)
ADM. CODE 215.620 AND)
215.621)
)

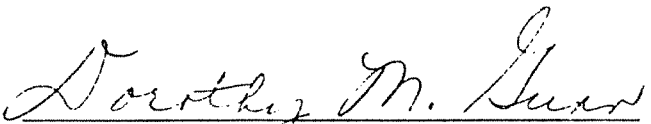

ORDER OF THE BOARD (by J. Marlin):

By letter received November 30, 1989, Calumet Industries suggested modification of 35 Ill. Adm. Code 215.620 and 215.621. Calumet seeks to have references to a substance currently identified by manufacturer's name deleted and replaced by a generic description of the substance. The Board construes this letter as a petition for rulemaking, but notes that the petition fails to satisfy the information requirements of Title VII of the Act and 35 Ill. Adm. Code Part 102.

If an amended petition curing this deficiency is not filed within 30 days of the date of this Order, this petition will be subject to dismissal. The Clerk is directed to provide Calumet with copies of the Act and the Board's procedural rules.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 20th day of December, 1989, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
