HEARING OFFICER ORDER

On April 25, 2016, the parties participated in a telephone status conference with the hearing officer. There was a miscommunication between the parties about whether the noise situation had been resolved. While the noise is currently abated, complainants would like to continue discussions about a more permanent solution suggested by someone at the facility. Respondent's attorney was unaware of the proposed solution, and will look into it.

The parties are directed to participate in a telephone status conference with the hearing officer at 9:30 a.m. on May 23, 2016. The conference call-in number is (703) 609-3502.

The parties have consented to electronic service in this docket.

IT IS SO ORDERED.
