HEARING OFFICER ORDER

On December 2, 2015, the parties participated in a telephone status conference with the hearing officer. The pending litigation in this matter regarding property ownership relates to respondent's contention that she does not have access to remediate the site.

Complainant will discuss this case with the appropriate personnel to determine whether the site should be re-inspected to determine the current status, and whether the issue of ownership should be further researched to ensure that this citation is brought against the proper owner.

The parties are directed to participate in a telephone status conference with the hearing officer at 8:00 a.m. on January 13, 2016. The status conference shall be initiated by the complainant.

IT IS SO ORDERED.
