**HEARING OFFICER ORDER**

On July 8, 2013, the parties participated in a telephone status conference with the hearing officer. The attorney for respondents Ironhustler Excavating, Inc. and Ron Bright reports that a relevant case was decided by the U.S. Supreme Court last month. Respondents now expect to file a response to the People's motion for summary judgment within 30 days, along with a motion for leave to file *instanter*. Due to financial considerations, respondent Intra-Plant Maintenance will let the other respondents take the lead in responding to the summary judgment motion. After the response is filed, a deadline will be set for the People's reply.

The parties are directed to participate in a telephone status conference with the hearing officer at 10:00 a.m. on October 7, 2013. The status conference shall be initiated by the People.

IT IS SO ORDERED.
