ORDER OF THE BOARD (by Mr. Goodman):

Motion for Reconsideration of the Board Order of May 15, 1975, filed by a Third Party Intervenor on May 27, 1975, is granted as to the following issue:

Whether the "full and complete" hearing required by section 33 of the Illinois Environmental Protection Act requires a full and complete hearing by the Board, such that the decision-making tribunal is present in person to weigh and hear the testimony and evidence and to judge the credibility of witnesses.

It is the decision of the Board that all other issues raised by the Third Party Intervenor in its Motion for Reconsideration are to be considered at the scheduled hearing on this matter, and therefore the motion as to these other issues is hereby denied.

As an aid to the Board's deliberation, the Third Party Intervenor is hereby ordered to file a brief in support of its position seven days from the date of this Order. All other parties shall be permitted to respond to the aforementioned brief within seven days thereafter, and the Third Party Intervenor shall be permitted to reply, if it so desires, within five days thereafter.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 6th day of June, 1975 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
