ORDER OF THE BOARD (by Mr. Henss)

On September 13, 1973 Petitioner was granted variance from Air Pollution Control Regulations to enable the conversion and replacement of incinerators and for the purpose of permitting Petitioner to modify its pollution control program. Paragraph 3 of the Order provides:

"Within 60 days from the date hereof, Petitioner shall submit to the Environmental Protection Agency and the Pollution Control Board its revised program of compliance, consistent with this Opinion and Order".

On October 17, 1973 Petitioner filed Motion for Extension of Time requesting an additional 60 days to submit its program and report. Petitioner states that negotiations are now underway to develop a method of disposing of Petitioner's refuse without the use of noncomplying incinerators and that the extension of time is needed to finalize Petitioner's program and make the report.

The Motion for Extension of Time is hereby allowed. The date for filing of the report and program of compliance shall be January 11, 1974.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted this 1<sup>st</sup> day of November 1973 by a vote of 5 to 0.
