HEARING OFFICER ORDER

On February 16, 2017, all parties participated in a telephonic status conference with the hearing officer. The parties stated that they have had numerous and promising settlement discussions since the last status conference. The parties also stated that the state implementation plan, including the emission limits adopted in R15-21, is still under review by the United States Environmental Protection Agency. To that end, it was agreed that complainant's response to respondent's affirmative defenses is now due on or before April 21, 2017.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on April 6, 2017, at 10:30 a.m. The telephonic conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter.

IT IS SO ORDERED.
