ORDER OF THE BOARD (by Mr. Dumelle):

The Motion for Stay and Related Relief filed October 2, 1973 is denied. To grant the stay would delay enforcement of Board Rules and Regulations for the period of the appeal. If a substantial hardship exists to Commonwealth Edison because of the Regulations then the variance procedure, which provides for a weighing of costs and hardships, is always available.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 6th day of December, 1973 by a vote of 4-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
