ORDER OF THE BOARD (by Dr. Odell)

The City of Charleston (Charleston) applied for a permit from the Illinois Environmental Protection Agency (Agency) for the disposal of aerobically digested sludge from the Charleston wastewater treatment plant to a 100-acre tract of farmland in the East 1/3 of Section 13, T. 12 N., R. 9 E. of the 3rd P.M. This permit was denied by the Agency in a letter of May 27, 1975.

On June 9, 1975, Charleston appealed to the Illinois Pollution Control Board (Board) this permit denial by the Agency. The Agency's permit file concerning this case, consisting of the application and denial, was received by the Board on June 20, 1975.

On July 3, 1975, the Board received a copy of Charleston's revised permit application to the Agency. In the revised permit application Charleston deleted all agricultural land in the subject tract which drained south toward Charleston Lake. This leaves a sludge disposal area of approximately 80 acres which drains northward.

On August 6, 1975, the Board received from Charleston a Motion to Withdraw their permit appeal because the permit had been issued. It Is The Order of the Board that Petitioner's Motion to Withdraw is hereby granted and this case is dismissed.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 7<sup>th</sup> day of August, 1975, by a vote of 5-0.
