OPINION AND ORDER OF THE BOARD (by J. Theodore Meyer):

This matter comes before the Board upon a one-count complaint filed October 31, 1996, by the Attorney General of the State of Illinois, on behalf of the Illinois Environmental Protection Agency and the People of the State of Illinois, against Alliant Techsystems, Inc. (Alliant), a Delaware corporation located at 29745 Alliant Drive, Wilmington, Will County, Illinois. The complaint alleges that Alliant violated Section 12(f)(2) of the Environmental Protection Act (Act) (415 ILCS 5/12(f)(2) (1996)) and 35 Ill. Adm. Code 703.121(a)(2) by accumulating a hazardous waste, for greater than 90 days in an unapproved storage area in violation of its RCRA Part B Permit.

On July 25, 1997, the parties filed a stipulation and settlement agreement, and a joint motion requesting relief from the requirement of Section 31(c)(2) that proposed stipulation and settlement agreements be presented at hearing. 415 ILCS 5/31(c)(2) (1996). The Board published a notice of the waiver of hearing on July 30, 1997. No objection to the granting of the waiver was received. Accordingly, the Board grants a waiver from the hearing requirement.

The stipulation and settlement agreement sets forth facts relating to the nature, operations and circumstances surrounding the claimed violations. Alliant neither admits nor denies the alleged violations and agrees to pay a civil penalty of \$10,000.

The Board finds the stipulation and settlement agreement acceptable under 35 Ill. Adm. Code 103.180. This settlement agreement in no way affects Alliant's responsibility to comply with any federal, State, or local regulations including, but not limited to, the Act and the Board's regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter.
