HEARING OFFICER ORDER

On July 25, 2013, all parties participated in a telephonic status conference. The complainant stated that it will forward the supplemental environmental project to be included in the stipulation and proposal for settlement (stipulation) to the remaining respondent, Reliable Materials Lyons, LLC (Reliable). By agreement, Reliable's answer or other pleading is now due to be filed on or before October 4, 2013.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on September 19, 2013, at 10:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
