ORDER OF THE BOARD (by Dr. Odell)

On February 5, 1975, Respondent filed a Motion For an Order Allowing Respondent to Present Additional Evidence (Evidence Motion) and Motion for Extension of Time to File a Reply Brief. The Evidence Motion alleged the occurrence of new facts which deserved to be entered into the record. Complainant replied on February 13, 1975, and argued against another hearing while stipulating to certain facts in Respondent's Evidence Motion.

We deny the Evidence Motion except to the extent of the judicial admissions in Complainant's reply. These admissions will be considered with the cause.

We grant Respondent 21 days from the adoption of this Order to file its reply brief with the Pollution Control Board.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Opinion and Order was adopted on the 27<sup>th</sup> day of February, 1975, by a vote of 4 to 0.
