JURISDICTION

This Administrative Citation is issued pursuant to the authority vested in the Illinois Environmental Protection Agency by Section 31.1 of the Illinois Environmental Protection Act, 415 ILCS 5/31.1 (2000).

FACTS

1. That Olen G. Parkhill is the present operator of a facility located approximately 100 yards east of the east end of Jefferson Road, Candlelight Estates Mobile Home Park, Mahomet, Champaign County, Illinois. The property is commonly known to the Illinois Environmental Protection Agency as Mahomet/Parkhill #4.

2. That said facility is an open dump operating without an Illinois Environmental Protection Agency Operating Permit and is designated with Site Code No. 0198125003.

3. That Respondent has operated said facility at all times pertinent hereto.

4. That on April 15, 2003, Kenneth Keigley of the Illinois Environmental Protection Agency's Champaign Regional Office inspected the above-described facility. A copy of his inspection report setting forth the results of said inspection is attached hereto and made a part hereof.

VIOLATIONS

Based upon direct observations made by Kenneth Keigley during the course of his April 15, 2003 inspection of the above-named facility, the Illinois Environmental Protection Agency has determined that Respondent has violated the Illinois Environmental Protection Act (hereinafter, the "Act") as follows:

- (1) That Respondent caused or allowed the open dumping of waste in a manner resulting in litter, a violation of Section 21(p)(1) of the Act, 415 ILCS 5/21(p)(1) (2000).
- (2) That Respondent caused or allowed the open dumping of waste in a manner resulting in open burning, a violation of Section 21(p)(3) of the Act, 415 ILCS 5/21(p)(3) (2000).
- (3) That Respondent caused or allowed the open dumping of waste in a manner resulting in deposition of general construction or demolition debris or clean construction or demolition debris, a violation of Section 21(p)(7) of the Act, 415 ILCS 5/21(p)(7) (2000).

CIVIL PENALTY

On November 18, 1999, the Board found Olen G. Parkhill in violation of Section 21(p)(1) of the Act in AC 2000-022. On February 3, 2000, the Board found Olen G. Parkhill in violation of Sections 21(p)(1) and (p)(3) of the Act in AC 2000-016. On October 5, 2000, the Board found Olen G. Parkhill in violation of Section 21(p)(1) of the Act in AC 2000-087. On December 20, 2001, the Board found Olen G. Parkhill in violation of Section 21(p)(1) of the Act in AC 2001-019.

Because this Administrative Citation addresses a second or subsequent violation of Section 21(p) of the Act, pursuant to Section 42(b)(4-5) of the Act, 415 ILCS 5/42(b)(4-5) (2000), Respondent is subject to a civil penalty of Three Thousand Dollars (\$3,000.00) for each of the violations identified above, for a total of Nine Thousand Dollars (\$9,000.00). If Respondent elects not to petition the Illinois Pollution Control Board, the statutory civil penalty specified above shall be due and payable no later than June 30, 2003, unless otherwise provided by order of the Illinois Pollution Control Board.

If Respondent elects to contest this Administrative Citation by petitioning the Illinois Pollution Control Board in accordance with Section 31.1 of the Act, 415 ILCS 5/31.1 (2000), and if the Illinois Pollution Control Board issues a finding of violation as alleged herein, after an adjudicatory hearing, Respondent shall be assessed the associated hearing costs incurred by the Illinois Environmental Protection Agency and the Illinois Pollution Control Board. Those hearing costs shall be assessed in addition to the Three Thousand Five Hundred Dollar (\$3,000.00) statutory civil penalty for each violation.

Pursuant to Section 31.1(d)(1) of the Act, 415 ILCS 5/31.1(d)(1) (2000), if Respondent fails to petition or elects not to petition the Illinois Pollution Control Board for review of this Administrative Citation within thirty-five (35) days of the date of service, the Illinois Pollution Control Board shall adopt a final order, which shall include this Administrative Citation and findings of violation as alleged herein, and shall impose the statutory civil penalty specified above.

When payment is made, Respondent's check shall be made payable to the Illinois Environmental Protection Trust Fund and mailed to the attention of Fiscal Services, Illinois Environmental Protection Agency, 1021 North Grand Avenue East, P.O. Box 19276, Springfield, Illinois 62794-9276. Along with payment, Respondent shall complete and return the enclosed Remittance Form to ensure proper documentation of payment.

If any civil penalty and/or hearing costs are not paid within the time prescribed by order of the Illinois Pollution Control Board, interest on said penalty and/or hearing costs shall be assessed against the Respondent from the date payment is due up to and including the date that payment is received. The Office of the Illinois Attorney General may be requested to initiate proceedings against Respondent in Circuit Court to collect said penalty and/or hearing costs, plus any interest accrued.

PROCEDURE FOR CONTESTING THIS
ADMINISTRATIVE CITATION

Respondent has the right to contest this Administrative Citation pursuant to and in accordance with Section 31.1 of the Act, 415 ILCS 5/31/1 (2000). If Respondent elects to contest this Administrative Citation, then Respondent shall file a signed Petition for Review, including a Notice of Filing, Certificate of Service, and Notice of Appearance, with the Clerk of the Illinois Pollution Control Board, State of Illinois Center, 100 West Randolph, Suite 11-500, Chicago, Illinois 60601. Inspection Date: April 15, 2003

Complaint Number: C03-110-CH

General Comments:

On April 15, 2003 at 01:20 P.M., I conducted an inspection at the Parkhill Property, located approximately 100 yards east of the east end of Jefferson Street, Candlelight Estates Mobile Home Park, Mahomet, Illinois. This inspection was conducted in response to a complaint alleging that landscape waste and refuse from the mobile home park were being transported to this location and open dumped and open burned at this site. The purpose of this inspection was to determine regulatory status and evaluate compliance with the Environmental Protection Act (Act) and Title 35 Illinois Administrative Code, Subtitle G: Land Pollution (Regulations). The inspection consisted of walking around the site and taking pictures, no one was present to represent the property owner. The weather was sunny, the temperature 84 degrees.

According to the Champaign County Supervisor of Assessments Office, the property was deeded to a trust # 01-1201 with the American National Bank in Champaign, Illinois on January 13, 1988. The tax bill for the property is being sent to Mr. Olen G. Parkhill, 808 North Prairieview Road, Mahomet, Illinois 61853.

Findings:

When I arrived on the mobile home property I drove to the east end of Jefferson Street where I saw an open gate and a culvert across a small ditch leading to an open field (see photo #11). I could see what appeared to be a waste pile just across the creek.

I drove to the apparent waste pile and saw that there was a pit measuring approximately 25' x 25' x 4' that contained bagged and free landscape waste and other refuse. I looked into the north end of the pit and saw in the ashes from open burning, heat scorched metal, heat scorched springs from possibly upholstered furniture or filled mattresses, glass bottles, a heat scorched metal can, and a partially burned plastic planting pot (see photo #1). Looking into the pit I saw that it was almost completely full of refuse consisting of free and bagged landscape waste, paper product bags, cardboard, dimensional lumber, and scraps of plywood (see photos #2, #3, #4 and #6) that were as of yet unburned. Along the south edge of the pit I saw several partially burned pieces of apparent siding and a partially buried paint can (see photo #5).

Looking closer along the east side of the pit I saw heat scorched partially buried metal siding, metal containers, and metal springs (see photo #7).

I saw a pool of water in the northeast corner of the pit, which contained ashes from burning and partially submerged metal (see photo #8). I saw some scraps of partially burned dimensional lumber in the ashes in the pit (see photos #6 and #9). When leaving I saw other areas in close proximity to the apparent burn pit where the ground had settled (see photo #10). I left the site at 01:30 P.M.
