ORDER OF THE BOARD (by Mr. Henss)

Respondents, The Forest Preserve District of Cook County, George W. Dunne, President of the Board of Commissioners of the Forest Preserve District and the members of the Board of Commissioners of the Forest Preserve District of Cook County have moved for a continuance of the hearings scheduled in this matter. The Motion for Continuance is denied. Hearing has already been delayed far beyond the schedules ordinarily seen in such cases and far beyond the schedule contemplated by our Rules. Respondents have had ample time to file motions attacking the Complaint and neither their failure to file motions nor their recent hiring of an attorney who had scheduled his own personal vacation will be considered justification for further delay.

It is ordered that the Motion for Continuance be denied.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted this 18th day of April, 1974 by a vote of 5 to 0.
