ORDER OF THE BOARD (by Mr. Marder)

After preliminary review of the record, the Board finds that there is still some confusion as to Fields, Goldman and Magee's standing as a proper party to initiate this action. Testimony was presented to indicate that Fields, Goldman and Magee was acting as an agent for a party who may suffer hardship as a result of a variance denial. Reference was made to the Paul Peeber Construction Company and the DuQuoin Lease Housing Corporation. If Fields, Goldman and Magee is indeed an agent for another party, the record is devoid of affidavits or other substantiating proof.

IT IS THE ORDER of the Illinois Pollution Control Board that Fields, Goldman and Magee shall submit to the Board adequate proof that it is indeed acting as an agent for another party in this action. In the event that such proof is not received, the action will be finalized on the basis of the record as it stands.

IT IS SO ORDERED.

Mr. Seaman was not present.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, certify that the above Opinion and Order was adopted by the Board on the 15<sup>th</sup> day of November, 1973, by a vote of 4 to 0.
