HEARING OFFICER ORDER

On April 10, 2014, all parties participated in a telephonic status conference with the hearing officer. The complainant stated that it appears the parties have reached an agreement and is in the process of drafting a stipulation and proposal for settlement (stipulation). The complainant further stated that it intends to file a motion to amend the complaint to name the proper respondent.

By agreement, the respondent's answer is now due to be filed on or before June 20, 2014.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on May 29, 2014, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
