HEARING OFFICER ORDER

Background

On October 22, 2002, the City of Effingham (City), Blue Beacon International, Inc. (BBI) and Truckomat Corporation (Truckomat) (referred to collectively as "petitioners") filed a proposal for rulemaking under Section 27 of the Environmental Protection Act (Act) (415 ILCS 5/27 (2002)), to change regulations governing fluoride found in the Board's rules at 35 Ill. Adm. Code 302.208(g).

BBI and Truckomat operate truck washes in Effingham, Effingham County. The wastewater from the truck washes contains fluoride resulting from the brighteners used in washing the trucks. Petitioners state that there are no alternative replacements for these brighteners, and discontinuing their use would cause a severe negative economic impact.

In compliance with the Americans with Disabilities Act and other applicable federal and State laws, the hearing will be accessible to individuals with disabilities. Persons requiring auxiliary aids and services should contact Dorothy Gunn, Clerk of the Board, at 100 West Randolph St., Suite 11-500, Chicago, Illinois 60601, at telephone number 312/814-6931, fax number 312/814-3669, or TDD number 312/814-6032, five days prior to the hearing.

Petitioners further state that the site-specific fluoride level proposed will be protective of aquatic life, human health, and the environment as a whole.

The wastewater discharges into an unnamed tributary of Salt Creek, which flows into the Little Wabash River, 37 miles upstream from the City of Flora. The City's current daily fluoride effluent limit is 1.4 mg/l, the same as the 1.4 mg/l water quality standard. The City seeks an effluent limit of 4.5 mg/l subject to the averaging rule of 35 Ill. Adm. Code 304.104.

On November 7, 2002, the Board opened a new regulatory docket for this matter, and directed that a hearing be scheduled on the proposal. This order today schedules a hearing for April 11, 2003.

Hearing

Persons wishing to testify at the hearing shall prefile the testimony with the Board and serve the testimony on the hearing officer and all persons on the service list no later than March 21, 2003. Persons may receive a copy of the service list by contacting the hearing officer or Nancy Miller at (217) 278-3109.

The parties are directed to participate in a final pre-hearing telephone status conference on Friday, March 21, 2003 at 10:00 a.m. The petitioner shall initiate the call. At that time, the parties must be prepared to disclose witnesses for the hearing, and address any final pre-hearing issues.

IT IS SO ORDERED.
