ENVIRONMENTAL PROTECTION AGENCY)	

Interim Order of the Board (by Mr. Currie):

New Jersey Zinc having requested the opportunity to provide additional evidence and asked that we postpone decision until after adoption of the regulation from which variance is sought, and having executed a waiver of the requirement that the Board decide the case in 90 days, the motion to postpone decision and permit additional evidence is hereby granted and the case referred to a hearing officer for additional hearing in accordance with the following schedule:

1. Petitioner shall submit further evidence in the form of written statements by February 28, 1972;
2. The Agency may respond within ten days after such submission;
3. A further hearing will be held within ten days after submission of the Agency's response, unless the petitioner's order of proof is deemed by the Board to be insufficient on its face; and
4. The Board shall render a decision no later than 15 days after receipt of the transcript at the close of the formal hearing.

I, Christan Moffett, Clerk of the Pollution Control Board, certify that the Board adopted the above Interim Order this 17th day of February, 1972 by a vote of 5-0.
