ORDER OF THE BOARD (by Mr. Henss)

This proceeding is an appeal from a permit denial issued by the Environmental Protection Agency. Petitioner Mobil Oil Corporation now moves that the proceeding be dismissed, stating that the Agency has made two revisions during the pendency of this appeal and that Petitioner now possesses an operating permit which would appear to "contain such general and special conditions as are consistent with the accord previously reached". The controversy has apparently been resolved and we will dismiss the appeal without prejudice.

It is ordered that this proceeding be dismissed without prejudice.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted this 17th day of January, 1974 by a vote of 5 to 0.
