ORDER OF THE BOARD (by Mr. Marder)

Petitioner's Motion for Non-Disclosure is inadequate in that it does not meet the requirements of Procedural Rule 107 (c)(3) as to the number and names and titles of people who have access or knowledge of this material.

The Board notes that by denying this Motion, Petitioner may be harmed by placing the material in the open files; therefore, the material for which non-disclosure was requested is given conditional withdrawal.

The material shall be withdrawn from the public files for a period of 30 days from the date of this Order, and the Clerk of the Board is ordered to do so.

Petitioner may file a proper Motion for Non-Disclosure. If such Motion is filed within 30 days of the entry of this Order, the material shall not be returned to the public files pending determination of such Motion.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, certify that the above Order was adopted by the Board on the 22nd day of November, 1974, by a vote of 4 to 0.
