 ORIGINAL

HEARING OFFICER ORDER

On February 20, 2014, a telephonic status conference was held. The respondents did not appear. The complainant stated that it appears the parties have settled and are awaiting the signature from the Illinois Environmental Protection Agency on the stipulation and proposal for settlement (stipulation). To that end, it was agreed that respondents' respective answers or other pleadings are now due on or before May 8, 2014.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on April 24, 2014, at 9:15 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
