ORDER OF THE BOARD (by J.D. Dumelle):

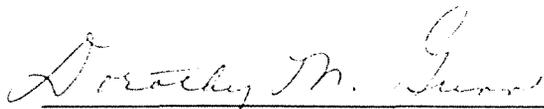

This matter comes before the Board upon the November 21, 1989, motion of the Illinois Environmental Regulatory Group (IERG) requesting the attendance of the United State Environmental Protection Agency (USEPA) at the hearings scheduled in this proceeding. IERG requests that the Board either enter into an agreement with USEPA to ensure its attendance and participation at hearing or issue subpoenas to accomplish the same result.

On November 21, 1989, the hearing officer issued an order directing IERG (1) to serve USEPA with a copy of the motion, (2) to name specific individuals to be subpoenaed, and (3) to specify the dates of hearing for which the subpoenas are requested.

On November 29, 1989, IERG filed its amended motion responding to the hearing officer's order. On December 6, 1989, the Board received a letter from USEPA stating that it intends to attend the afternoon session of the December 14, 1989, hearing and make witnesses available to answer questions from the Board and the public. The Board appreciates USEPA's efforts along these lines. The Board believes that USEPA's letter satisfies IERG's request for an agreement that USEPA attend and participate at the hearings. Thus, the Board need not address the portion of the motion relating to subpoenas.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 6th day of December, 1989 by a vote of 6-0.
