ORIGINAL

**HEARING OFFICER ORDER**

On December 18, 2013, a telephonic status conference was held. The respondents did not appear. The complainant stated that the parties are close to settling with a draft stipulation and proposal for settlement (stipulation) being circulated for review. To that end, it was agreed that respondents' respective answers or other pleadings are now due on or before March 21, 2014.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on February 20, 2014, at 9:15 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
