OPINION AND ORDER OF THE BOARD (by C.M. Santos):

On March 25, 2019, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a two-count complaint against the Village of Leonore (Village). The complaint concerns the Village’s two groundwater supply wells located at the corner of Gary and Walnut Streets in Leonore, LaSalle County. The parties now seek to settle without a hearing. For the reasons below, the Board accepts the parties’ stipulation and proposed settlement.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2016)), the Attorney General and the State’s Attorneys may bring actions before the Board on behalf of the People to enforce Illinois’ environmental requirements. *See* 415 ILCS 5/31 (2016); 35 Ill. Adm. Code 103. In this case, the People allege that the Village violated Section 18(a)(2) of the Act and Sections 611.382(b)(1)(A)(v), 611.840(d), and 611.901(b) of the Board’s primary drinking water standards by failing to comply with public water supply monitoring requirements and public notice requirements.

On March 25, 2019, simultaneously with the People’s complaint, the People and the Village filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2016)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2016)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). The Board provided notice of the stipulation, proposed settlement, and request for relief. The newspaper notice was published in the *Ottawa/Streator Times* on March 30, 2019. The Board did not receive any requests for hearing. The Board grants the parties’ request for relief from the hearing requirement. *See* 415 ILCS 5/31(c)(2) (2016); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board’s procedural rules sets forth the required contents of stipulations and proposed settlements. *See* 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of the Village’s operations. Section 103.302 also requires that the parties stipulate to facts

called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2016)), which bears on the reasonableness of the circumstances surrounding the alleged violations. The Village does not affirmatively admit the alleged violations. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2016)), which may mitigate or aggravate the civil penalty amount. The Village agrees to pay a civil penalty of \$500. The People and the Village have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.
