HEARING OFFICER ORDER

On April 21, 2016, a telephonic status conference was held. Except for the Village of Midlothian, all parties appeared. The Illinois Environmental Protection Agency (Agency) stated that discussions continue with all parties, including the United States Environmental Protection (USEPA). At present the parties are discussing what the USEPA will require in a supplemental petition to satisfy the federal regulations.

It was agreed that the Agency's recommendation will now be due on or before July 15, 2016.

Petitioner Metropolitan Water Reclamation District of Greater Chicago (MWRDGC) stated that it will coordinate with the remaining petitioners to file a joint and additional waiver of the statutory decision deadline to and including October 20, 2016.

The parties were requested and encouraged to submit a consent to be served by electronic service of my hearing officer orders and their respective e-mail addresses to me or the Clerk of the Board. As of April 25, 2016, petitioner Illinois Department of Transportation is the only one to do so.

The parties or their legal representatives are reminded to participate in a telephonic status conference with the hearing officer on June 29, 2016, at 9:30 a.m. The telephonic status conference must be initiated by the petitioners, but each party is nonetheless responsible for its own appearance. A call-in number will be provided by MWRDGC prior to the next conference call. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
