)
 CORBETT STEEL, INC.)

OPINION & ORDER OF THE BOARD (BY MR. CURRIE):

The Agency moves to dismiss its complaint without prejudice on the grounds that the respondent has ceased business that it is involved in a bankruptcy proceeding, and that its assets are to be auctioned piecemeal. No resumption of business or of pollution is contemplated, and any penalty would only reduce the pool for innocent creditors. The complaint is hereby dismissed without prejudice.

I, Christan Moffett, Clerk of the Pollution Control Board, certify that the Board adopted the above Opinion & Order this 20th day of June, 1972, by a vote of 5-0.
